

Position Title: Preschool Teacher
Location: Knowledge Quest Early Childhood Academy, 990 College Park Dr.
Status: Full-time
Work Schedule: Monday to Friday, 8-hour shift
Reports to: Program Manager

Job Summary:

As a Preschool Teacher, you will play a vital role in nurturing and educating young children in a safe and stimulating environment. Your primary focus will be on fostering the holistic development of preschool-aged children through engaging activities and educational programs.

Key Duties/Responsibilities:

- Utilize your experience with children to create a supportive and enriching learning environment
- Implement child welfare practices to ensure the well-being of all students
- Effectively communicate with young children to facilitate their learning and understanding
- Incorporate math concepts into daily activities to promote early numeracy skills
- Provide attentive toddler care to meet the individual needs of each child
- Apply knowledge of childhood development to tailor educational strategies
- Implement Montessori principles to encourage independent learning
- Integrate physical education activities to promote gross motor skills development
- Offer quality childcare services that prioritize safety and well-being
- Adapt teaching methods for children with special education needs

Qualifications:

- Previous experience working with children in a preschool setting
- Knowledge of child development theories and practices
- Strong communication skills to interact effectively with young children
- Familiarity with Montessori education principles is a plus
- Background in physical education or willingness to incorporate physical activities
- Understanding of childcare regulations and safety protocols
- Experience in special education is advantageous

Join our team as a Preschool Teacher and make a positive impact on the lives of young learners through quality early childhood education.

License/Certification

- CPR Certification (Preferred)
- Child Development Associate Certification
